

**Public Notice on County Government Operations**

All Effingham County government offices are open and operating during normal hours.

For the safety of citizens and county employees, please do not come in unless necessary. You are welcomed to contact any county offices by telephone or email. Both ways are effective for conducting county business under the current conditions. Contact information for each department can be found on the county government website: [co.effingham.il.us](http://co.effingham.il.us)

Even with the threat of Coronavirus, Effingham County officials and employees intend to serve the public as efficiently as possible.
